Submission Guidelines

To begin, log in as an author with your user ID and password. If you are not yet registered, please [register](#) as an author first.
In **User Home** page select **New Submission**.

Step 1. Starting the Submission

Select **journal section** for your submission (e.g. book reviews, articles etc.).
Agree with the **Submission Checklist** and **Copyright Notice** by checking the boxes.
Save and continue to Step 2.

Step 2. Uploading your submission

Upload your submission. Make sure your material complies with the [Ensuring a Blind Review instructions](#).
Save and continue to Step 3.

Step 3. Entering the Submission Metadata

Fill in all required article metadata fields (indicated by an asterisk), and as many as possible optional ones. Please make sure that you have provided keywords in the **Indexing Section** and a list of references for the works cited in your submission in the **References Section**. Keywords should be separated with semi-colons [;]. References should be according to the [Chicago Manual of Style, Notes and Bibliography](#) standard; individual references should be separated by a blank line.
Save and continue to Step 4.

Step 4. Uploading Supplementary Files

Upload separate files of data sheets, diagrams, tables, images etc., if any.
Save and continue to Step 5.

Step 5. Confirming the Submission

Finalize your submission by clicking 'Finish Submission' button.
